

Make ups

We just wanted to go over what to do when scheduling a make up.

- ✓ First call the office and find out when your child can come.
- ✓ We will put your child's name down in our make up book.
- ✓ When your child comes in for their make up you must go to the office and let us know you are here.
- ✓ We will then give your child a make up sticker. This will let the instructors know that your child is doing a make up.

If your child is switching classes

- ✓ They must go to the window and get a sticker. This will let the instructors know why they are in class and not on the attendance sheets.

Make ups

- No credit or refunds will be given for classes not attended. Gymnastics students may make up one class per month no matter how many are missed.
- No credits or refunds will be given for FGC closings for any reason. You must call the office and ask if you can schedule a make up.
- **Make ups cannot be scheduled if your tuition is not up to date.**
- If we are closed due to bad weather, then you may schedule a make up. Call before you come to class or go onto our web site at www.gymnasticsclubnj.com We usually follow the Freehold Township Schools, if they have a delayed opening our morning classes are cancelled. If weather and roads improve, we may open up for our 3:30 classes so call us first.
- If your schedule does not allow for a make up or if you reserve a make up and do not call to cancel, then your make up is lost. **Absolutely no refunds are given.**
- **All payments are non refundable for any reason.**
- When the gym is closed for Winter/Spring Break and Holidays make ups will be given but not for team. Team athletes have a separate schedule.
- All Team members do not get make ups. If a meet falls on the day your child normally has practice then they will not receive a make up and an alternate practice will not be scheduled. When the gym is closed for winter and spring break, no make ups will be given. Team gymnasts talk to Pru about the practice schedule.
